## ABOUT US

**HONESTA UISSO**  
Director

**MR. HENRY OTIENO**  
Director

TOPMAX Tanzania Limited is a dynamic logistics company established since 2016 with 68 staff members.

Our core features are providing seamless and fully intergrated logistics solutions tailor made to the needs of our customers.

We are a distinguished clearing forwarding enterprise comprised of professionals with many years of experience in the logistics industry collected at various multinational companies such as MAERSK LINE, Hellmann Worldwide Logistics, UTI, Panalpina just to mention a few.

We have what it takes to change the clearing and forwarding fraternity Our strength is backed up by outsourced services from our transport partners and we have the financial capability to handle small to large volumes accross the globe.

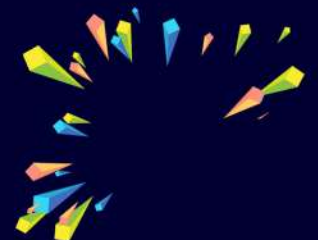

**Our team** of experts have years of experience This helps us cutting down response time and providing punctual delivery and services at all times, whether pertaining to Trucking or Warehousing , Air or Ocean Freight, Customs Clearance or Last Mile Delivery.

**Our goal** is to make a positive difference in the business of our customers and partners through our attitude and services and build long term relationships.

**Our commitment** to our clients can be seen by the amount of emphasis we place on Team Work, Customer Support Services and by consistently making technological upgrades to our Logistic Processes and Equipment

**Our Engagement** with industry leading carriers and the development of tailor made services and solutions help us keep the costs down for our Customers.

We welcome you to consult with our experts for your logistics needs

## MISSION, VISION & VALUES

**Values:** Integrity, Honesty, Transparency, Creativity and Respect for all

**Vision:** To become the natural choice for the shipping community in Tanzania. And beyond!

**Mission:** To deliver the Best-In-Class Logistics, Transportation, Customs Clearance and Warehousing Services and to Fulfill and Exceed the expectations of our customers.

# CODE OF CONDUCT

## 01: AIR

At TOPMAX we assure your on time shipments and with our extensive global Air Freight Forwarding Network Alliances we are able to provide excellent services and connectivity to and from major gateways. We work with freight partners like Air Tanzania, Emirates, Turkish as well as Swissport.

### **Door to Door:**

Our global Air Freight Network of hubs and sub hubs combined with our road feeder service offer you door to door delivery anywhere within East and Central Africa

### **Globally Local:**

This comprehensive service is backed by the expertise of our local teams who apply their up to the minute insights into local conditions to reduce risk of delay.

## 02: RAIL

International Service:- We facilitate connections between Tanzania and Zambia, among other destinations. The range of commodities we handle include containerized general cargo, sulfur, copper, and various crops

**Our international railway service includes:**

FCL&LCL International container railway and wagon transportation services

The optimized route solution from factory door to customer's door

## 03: OCEAN

### Local Team of Experties

TOPMAX comprehensive Ocean Freight Services are provided through the expertise of our local teams who apply their up to the minute insights into local conditions in order to reduce the risk of administrative delays. We work with best in class alliances and shipping partners as well as hand to hand with port Authorities

### Best in Class Suppliers

**FCL(FULL CONTAINER LOAD)**

Based on carrier routing options, FCL is our best transit time to cost combination product for full container loads.

**LCL(LESS THAN CONTAINER LOAD)**

A competitively priced consolidation product, LCL offers the highest levels of schedule integrity.

**NCL(NON CONTAINERISED LOAD)**

NCL is our special product for oversized loads or those unsuitable for container loading.

## 04: ROAD

TOPMAX own fleet of trucks makes us stand out from the competition. This way we are providing clients with flexibility and reliability in their transport planning. TOPMAX maintains an in house team of highly skilled and experienced drivers and mechanics so as to ensure the utmost proficiency and security in transportation services.

The company takes pride in delivering quality services to its clients, supported by decades of experience in the field of logistics. Our commitment is evident in the utmost care we exercise when handling your cargo.

# WAREHOUSING & STORAGE

TOPMAX serves a broad range of clientele in Tanzania through its subcontracted warehouses and storage services. These services are characterized by comprehensive, reliable and flexible qualities, essential in the logistics business. The company employs experienced experts who design a supply chain flowchart tailored to meet its clients' needs. This approach not only aims at increasing efficiency but also focuses on cutting down costs.

TOPMAX experts are always available to assist clients with any issues they might encounter through problem-solving approaches. These approaches are designed to align with clients' immediate budgets while also promising substantial long-term cost savings.

# PROJECT LOGISTICS

## CARGO PROJECTS

Project Cargo is usually shipped in lots as Break Bulk, Heavy Lift or Out of Gauge. The cargo can be shipped or transported on Container vessels, Heavy Lift vessels and Multi-purpose vessels (RO RO), Coasters, Heavy Lift Vehicles and Aircrafts. The handling of Project Cargo requires not only special lifting, handling calculations and sufficient equipment but very importantly experienced project cargo specialists on site.

## CONSTRUCTION PROJECTS

TOPMAX contributed to the constructions of Salandar Bridge, Kigamboni Bridge and Mtwara Port extension in TANZANIA.

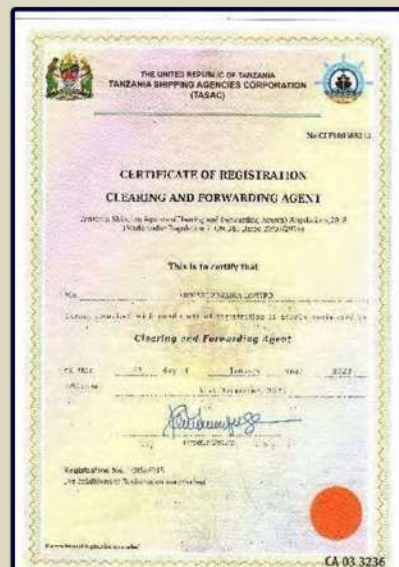

# CUSTOM CLEARANCE

As TOPMAX we accomplish customs clearance formalities for goods to be imported, exported, transited, generally transported under bond or to be stored or warehoused under another customs procedure.

*“Right fist  
time, on time &  
every time”*

# QUALIFICATIONS

TOPMAX is qualified to imports, exports or Transit your cargoes inside and outside the country
